

BHIM-UPI Bypass karte hue in cheez ka khayal rakhe:-

- 1) Pehle apko play store se Bhim Upi app download karna hai.
- 2) Fir aap use register kare, dhyan rakhe register karte wakt ek login pin apko bana hoga gaur se dekhe ye upi pin nahi hai ye Bhim UPI ka login pin jaise mobile lock ka pin hota hai wo apko banana aur gadar me bypass karte hue same pin enter karna hai jo apne BHIM upi app me banaya hai.
- 3) Sucessfull hone ke baad app me balance check kare aur us mobile se us app ko uninstall kar de.
- 4) Agar apke mobile number par 1 se jada account linked hai to apse request hai ap Bhim upi app par registration karte wakt only wohi account ko add kare ya primary banaye jisse apko booking karni hai.
- 5) Bypass ke 24 Hours ke under 5000 ka transaction kar le yani apne bypass kiya aur jab aap first transaction karenge usse 24 hours count hoga aur 24 hours aap 5k tak ka hi transactions kar sakte hai..
